APPENDIX A

Title II of the Second War Powers Act (Act of March 27, 1942, 56 Stat. 177, c. 199, sec. 201, 50 U. S. C. (Supp. IV) 171a) provides as follows:

> SEC. 201. The Act of July 2, 1917 (40 Stat. 241), entitled "An Act to authorize condemnation proceedings of lands for military purposes," as amended, is hereby amended by adding at the end thereof the following section:
>
> "SEC. 2. The Secretary of War, the Secretary of the Navy, or any other officer, board, commission, or governmental corporation authorized by the President, may acquire by purchase, donation, or other means of transfer, or may cause proceedings to be instituted in any court having jurisdiction of such proceedings, to acquire by condemnation, any real property, temporary use thereof, or other interest therein, together with any personal property located thereon or used therewith, that shall be deemed necessary, for military, naval, or other war purposes, such proceedings to be in accordance with the Act of August 1, 1888 (25 Stat. 357), or any other applicable Federal statute, and may dispose of such property or interest therein by sale, lease, or otherwise, in accordance with section 1 (b) of the Act of July 2, 1940 (54 Stat. 712). Upon

or after the filing of the condemnation petition, immediate possession may be taken and the property may be occupied, used, and improved for the purposes of this Act, notwithstanding any other law. Property acquired by purchase, donation, or other means of transfer may be occupied, used, and improved, for the purposes of this section prior to the approval of title by the Attorney General as required by section 355 of the Revised Statutes, as amended."

The Declaration of Taking Act of February 26, 1931, 46 Stat. 1421–1422, c. 307, 40 U. S. C. 258a–258e, reads as follows:

SEC. 1 * * * in any proceeding in any court of the United States outside of the District of Columbia which has been or may be instituted by and in the name of and under the authority of the United States for the acquisition of any land or easement or right-of-way in land for the public use, the petitioner may file in the cause, with the petition or at any time before judgment, a declaration of taking signed by the authority empowered by law to acquire the lands described in the petition, declaring that said lands are thereby taken for the use of the United States. Said declaration of taking shall contain or have annexed thereto—

(1) A statement of the authority under which and the public use for which said lands are taken.

(2) A description of the lands taken sufficient for the identification thereof.

(3) A statement of the estate or interest in said lands taken for said public use.

(4) A plan showing the lands taken.

(5) A statement of the sum of money estimated by said acquiring authority to be just compensation for the land taken.

Upon the filing said declaration of taking and of the deposit in the court, to the use of the persons entitled thereto, of the amount of the estimated compensation stated in said declaration, title to the said lands in fee simple absolute, or such less estate or interest therein as is specified in said declaration, shall vest in the United States of America, and said lands shall be deemed to be condemned and taken for the use of the United States, and the right to just compensation for the same shall vest in the persons entitled thereto; and said compensation shall be ascertained and awarded in said proceeding and established by judgment therein, and the said judgment shall include as part of the just compensation awarded, interest at the rate of 6 per centum per annum on the amount finally awarded as the value of the property as of the date of taking, from said date to the date of payment; but interest shall not be allowed on so much thereof as shall have been paid into the court. No sum so paid into the court shall be charged with commissions or poundage.

Upon the application of the parties in interest, the court may order that the money deposited in the court, or any part thereof, be paid forthwith for or on account of the just compensation to be awarded in said proceeding. If the compensation finally awarded in respect of said lands, or any parcel thereof, shall exceed the amount of the money so received by any person entitled, the court shall enter judgment against the United States for the amount of the deficiency.

Upon the filing of a declaration of taking, the court shall have power to fix the time within which and the terms upon which the parties in possession shall be required to surrender possession to the petitioner. The court shall have power to make such orders in respect of encumbrances, liens, rents, taxes, assessments, insurance, and other charges, if any, as shall be just and equitable.

SEC. 2. No appeal in any such cause nor any bond or undertaking given therein shall operate to prevent or delay the vesting of title to such lands in the United States.

SEC. 3. Action under this statute irrevocably committing the United States to the payment of the ultimate award shall not be taken unless the Chief of the executive department or agency or bureau of the Government empowered to acquire the land shall be of the opinion that the ultimate award probably will be within any limits prescribed by Congress on the price to be paid.

SEC. 4. The right to take possession and title in advance of final judgment in condemnation proceedings as provided by this Act shall be in addition to any right, power, or authority conferred by the laws of the United States or those of any State or Territory under which such proceedings may be conducted, and shall not be construed as abrogating, limiting, or modifying any such right, power, or authority.

SEC. 5. In any case in which the United States has taken or may take possession of any real property during the course of condemnation proceedings and in advance of final judgment therein and the United States has become irrevocably committed to pay

the amount ultimately to be awarded as compensation, it shall be lawful to expend moneys duly appropriated for that purpose in demolishing existing structures on said land and in erecting public buildings or public works thereon, notwithstanding the provisions of section 355 of the Revised Statutes of the United States: *Provided*, That in the opinion of the Attorney General, the title has been vested in the United States or all persons having an interest therein have been made parties to such proceeding and will be bound by the final judgment therein.
